SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

The following questions and answers are provided as clarifications:

1. What are the requirements for the equipment coming on site? (hours, year, a/c, etc.)

Answer: All equipment shall be furnished in good operating condition and shall be of adequate overall condition to be reliable throughout the rental period. All equipment shall be furnished with air conditioned cabs which are in good working condition. Reference Paragraph 1.0 of the specifications.

2. What is the length of contract?

Answer: Base rental requirements are for two trucks for one month each. Option items are included for two additional months for each if needed. There is also an option for one additional truck for one month with additional option months. Reference bid schedule.

3. What kind of material will be loaded into trucks?

Answer: Dirt, bedding stone, and graded stone "B" (up to 36" diameter) will be loaded on the trucks.

4. Who will provide required maintenance? (our mechanic or yours)

Answer: The Government will perform the "daily" preventive maintenance as prescribed by the operator's manual. Any monthly, quarterly, annual preventive maintenance or repairs required to keep the equipment in good operating condition throughout the rental period shall be the responsibility of the contractor.

5. Is this a one shift or double shift?

Answer: The equipment will be operated day light hours only and 10 hours per day maximum.

6. Who is to provide oil and fuel?

Answer: The Government will provide all fuel for operation and oil in accordance with the daily preventive maintenance requirements during the rental period provided the equipment is in good operating condition and does not excessively consume or leak fluids. The contractor is responsible for repairs to correct any such condition.

All malfunctioning equipment shall be repaired or replaced at the contractor's expense (including transportation) within 48 hours. The equipment will be used at Sardis, Mississippi. Reference Paragraph 2 and 3 of the specifications.
